

Driver's Education Sign-up 2018

The North Iowa High School is offering **1 session of Driver's Education classes this year and 2 options for student driving times.** The class sessions for all students will begin Saturday, March 10th and will run through May 12th. You are welcome to attend classes without a driving permit as long as you hold a driving permit before your first scheduled drive. The spring drives will be held on Saturdays after class and after school during the weekdays. The summer driving option will start after school is out for the summer and ends before July 4th. If you are interested in this year's driver's education program, sign-up with the high school/middle school secretaries before February 23rd. At sign up you will receive a Dr. Ed. Information form that needs to be returned by Feb. 23 with the course fee.

The State of Iowa sets the driver's education requirements and we must meet these standards. State law requires a minimum of 30 hours of classroom instruction and 6 hours behind-the-wheel training. The state does not permit any missed classes or driving sessions. An excused missed class will be made up through arrangements with Mr. Gerzema. Each student must obtain a driving permit before your **first drive and bring it to all your drives.** Be sure you study the class schedule below and compare it with your other schedules to make it fit. You will not receive your certificate of completion until all class and driving hours and assignments are completed.

The classes will be held in the Buffalo Center Ag. Science classroom and run from 8:00-11:00 a.m. (You are expected to be on time)

CLASS SESSIONS:

March: 10 - 17 - 30 April: 7 - 14 - 21 - 28 May: 5 - 12 (March 30 is a Friday)

The driving schedules will be arranged after the sign-up and work on a rotating basis, 2 or 3 drivers to a car. In the spring, drives will occur after school and on Saturdays after class. During the summer driving schedules vary depending on the students other commitments.

The tuition for this year is \$300 in district and \$320 out of district, due at sign-up. Families needing to make payment arrangements may contact the school business office. No refunds will be made for failure to complete the course.
