

The NORTH IOWA lifting program is available to ALL student athletes!

Please make it known that anybody can come do the weight program, either at a scheduled time, or to meet with Andrew Hanna to discuss lifting on your own.

CURRENT LIFTING TIMES:

Starting on Monday, October 30th -- Monday/Wednesday/Friday at 6:30am.

Those times are subject to change once a new season starts (basketball/track/etc.)

It will depend on coaches or students availability and practice times.

Lifting is open to any student athlete who wants to start the strength and conditioning program to improve their overall productivity. We would encourage meeting at the scheduled times, or with a group, but you may lift on your own until your season starts.

You MUST be with Mr. Hanna or another adult – adult supervision is REQUIRED.
